constantly rewriting his own story malcolm x became a criminal a minister a leader and eventually an icon assassinated at the age of 39 the details of his life have long since calcified into a familiar narrative his early years as a vagabond in boston and new york his conversion to islam and subsequent rise to prominence as a militant advocate for black rights his acrimonious split with the nation of islam and ultimately his violent death at their hands yet this story told and retold to various ends by writers historians and filmmakers captures only a snapshot a fraction of the man in full manning marable s new biography is a stunning achievement filled with new

information and shocking revelations that will reframe the way we understand his life and work malcolm x unfolds a sweeping story of the darkest days of racial unrest from the rise of the ku klux klan to the struggles of the civil rights movement examining his engagement with the nation of islam and the romantic relationships whose energy alternately drained him and pushed him to unimagined heights malcolm x will stand as the definitive work on one of the most iconic figures of the twentieth century a man who constantly strove in the great american tradition to remake himself anew

marable s biography of du bois is the best so far available dr herbert aptheker editor the correspondence of w e b du bois marable s excellent study focuses on the social thought of a major black american thinker who exhibited a basic coherence and unity throughout a multifaceted career stressing cultural pluralism opposition to social inequality and black pride library journal distinguished historian and social activist manning marable s book w e b du bois black radical democrat brings out the interconnections unity and consistency of w e b du bois s life and writings marable covers du bois s disputes with booker t washington his founding of the naacp his work as a social scientist his life as a popular figure and his involvement in politics placing them into the context of du bois s views on black pride equality and cultural diversity marable stresses that as a radical democrat du bois viewed the problems of racism as intimately connected with capitalism the publication of this updated edition follows more than one hundred celebrations recently marking the 100th anniversary of du bois s the souls of black folk marable broadens earlier biographies with a new introduction highlighting du bois s less known advocacy of women s suffrage socialism and peace and he traces his legacy to today in an era of changing racial and social conditions

highly acclaimed dissection of the new racism from one of the greatest radical black intellectuals of our time many in the united states including barack obama have called for a post racial politics yet race still divides the country politically economically and socially in this highly acclaimed work manning marable rejects both liberal inclusionist strategies and the separatist politics of the likes of louis farrakhan looking back at african american politics and the fight against racism of the recent past he argues powerfully for a transformationist strategy that retains a distinctive black cultural identity but draws together all the poor and exploited in a united struggle against oppression

since its original publication in 1984 manning marable s race reform and rebellion has become widely known as the most crucial political and social history of african americans since world war ii aimed at students of contemporary american politics and society and written by one of the most articulate and eloquent authorities on the movement for black freedom this acclaimed study traces the divergent elements of political social and moral reform in nonwhite america since 1945 this updated edition brings marable s study into the twenty first century analyzing the effects of such factors as black neoconservatism welfare reform the million man march the mainstreaming of hip hop culture 9 11 and hurricane katrina marable s work brought into the present remains one of the most dramatic well conceived and provocative histories of the struggle for african american civil rights and equality through the 1950s and 1960s marable follows the emergence of a powerful black working class the successful effort to abolish racial segregation the outbreak of black power urban rebellion and the renaissance of black nationalism he explores the increased participation of blacks and other ethnic groups in governmental systems and the white reaction during the period he terms the second reconstruction race reform and rebellion illustrates how poverty illegal drugs unemployment and a deteriorating urban infrastructure hammered the african american community in the 1980s and early 1990s the third edition provides perspective on recent catastrophic events context on how 9 11 and hurricane katrina magnified persistent racial injustice analysis of such devastating long term trends as urban decay illegal drug use and increased poverty an up to date text from one of the nation s leading scholars manning marable is professor of public affairs history political science and african american studies at columbia university and is the director of the university s center for contemporary black history he has written or edited twenty two books including living black history the autobiography of medgar evers coedited with myrlie evers williams freedom coauthored with leith p mullings the great wells of democracy black leadership and how capitalism underdeveloped black america

the new black history anthology presents cutting edge scholarship on key issues that define african american politics life and culture especially during the civil rights and black power eras the volume includes articles by both

established scholars and a rising generation of young scholars

a generation removed from the civil rights movement and the black power explosion of the 1960s the pursuit of racial equality and social justice for african americans seems more elusive than ever the realities of contemporary black america capture the nature of the crisis life expectancy for black males is now below retirement age median black income is less than 60 per cent that of whites over 600 000 african americans are incarcerated in the us penal system 23 per cent of all black males between the ages of eighteen and 29 are either in jail on probation or parole or awaiting trial at the same time affirmative action programs and civil rights reforms are being challenged by white conservatism confronted with a renascent right and the continuing burden of grotesque inequality manning marable argues that the black struggle must move beyond previous strategies for social change the politics of black nationalism which advocates the building of separate black institutions is an insufficient response the politics of integration characterized by traditional middle class organizations like the naacp and urban league seeks only representation without genuine power instead a transformationist approach is required one that can embrace the unique cultural identity of african americans while restructuring power and privilege in american society only a strategy of radical democracy can ultimately deconstruct race as a social force beyond black and white brilliantly dissects the politics of race and class in the us of the 1990s topics include the clarence thomas anita hill controversy the factors behind the rise and fall of jesse jackson s rainbow coalition benjamin chavis and the conflicts within the naapc and the national debate over affirmative action marable outlines the current debates in the black community between liberals afrocentrists and the advocates of social transformation he advances a political vision capable of drawing together minorities into a majority which can throw open the portals of power and govern in its own name

this anthology of black writers traces the evolution of african american perspectives throughout american history from the early years of slavery the essays mainfestos interviews and documents included show the character and important controversies of each period in black history
