a comprehensive anthology including historical and critical as well as biographical commentary on each writer s work and on each major period in the literature as a whole professor monegal has organized this gigantic anthology which reaches from the time of christopher columbus to our own decade on the premise that latin american literature is more an idea than an actuality simply because latin america itself has never achieved cultural integration true enough as the reader of any daily newspaper might guess but monegal goes further his selections demonstrate that it wasn t until the middle of the 19th century when a late blooming variety of european romanticism combined with newly achieved latin american political

independence that the intention of a latin american literature was even conceived then the letters and journals of vespucci bernal diaz and their fellow explorers and conquistadors with their renaissance insistence on the fabulous came to serve as a source for the continental vision of men like andres bello ruben dario and jose enrique rodo independence movements also produced political divisiveness and a backwater brand of literary realism that prevailed for decades but in spite of this the tendency of latin american literature has been toward the marvelous and the formally experimental and its most compelling metaphor from esteban echeverria to jorge luis borges and gabriel marquez has been that of discovery

a re creation of the conquest of the americas and latin america divided into three parts in the first are the myths of pre columbian america in the second the history of america unfolds from the 15th to 19th century and in the third 1900 to 1986 this trilogy differs from most in that it presents the making of the new world from the viewpoint of latin america

in the vintage book of latin american stories julio ortega and carlos fuentes present the most compelling short fiction from mexico to chile surreal poetic naturalistic urbane peasant born all styles intersect and play often within a single piece there is the handsomest drown man in the world the garcía márquez fable of a village overcome by the power of human beauty the aleph borges classic tale of a man who discovers in a colleague s cellar the universe here is the haunting shades of juan rufo the astonishing anxiety puzzles of julio cortázar the disquieted domesticity of clarice lispector provocative powerful immensely engaging the vintage book of latin american stories showcases the ingenuity diversity and continuing excellence of a vast and vivid literary tradition

in the early part of the twentieth century buenos aires erupted from its colonial past as a city in its own right expressing a unique and vibrant cultural identity intersecting tango engages the city at this key moment exploring the sweeping changes of 1900 1930 to capture this culture in motion through which buenos aires transformed itself into a modern cosmopolitan city taking the reader through a dazzling array of sites sources and events bergero conveys the city in all its complexity drawing on architecture and gendered spaces photography newspaper columns schoolbooks high and low literature private letters advertising fashion and popular music she illuminates a range of urban social geographies inhabited by the city s defining classes and groups in mining this vast material bergero traces the profound change in social fabric by which these diverse identities evolved through the processes of modernization and its many dislocations into a new national identity capable of embodying modernity in her interdisciplinary study of urban development and cultural encounters with modernity bergero leads the reader through the city s emergence collecting her investigations around the many economic social and gender issues remarkably conveyed by the tango the defining icon of buenos aires multifaceted and original intersecting tango is as rich and captivating as the dance itself
