a practical guide to the famed medieval book of pre kabbalistic jewish magic freshly interpreted and revealed for the first time with instructions on how to use the spells the sword of moses is one of the earliest jewish magic books which describes a rite for adjuring angels to assist in controlling and wielding the sword of moses for magical purposes the rite involves a short period of purification and then the adjuring of four sets of angels each higher than the last these angels in turn give the magician the power to control the sword through a series of divine names that work as magical spells the spells 137 in all have a wide variety of uses including healing harm love sex exorcising demons divination and more this work was first translated by moses gaster in 1896 but he removed many of the spells making the text unusable for magic the magic of the sword of moses is the first book to show in detail exactly how a magician can use the sword how to do the purification ritual adjure the angels and pronounce and use the divine names for each spell

this is a new release of the original 1896 edition

there have been a few versions of the sword of moses with various authors gaster version being the most famous all have one thing in common the words in the sword of moses the conjunction of the sword are encoded and unreadable which in my belief renders it useless as a workable system so in this book i have replaced theses words of power with a readable format

which are as equal if not more effective than the original i hope you enjoy this version of the conjuration of the sword of moses

there have been a few versions of the sword of moses with various authors gaster version being the most famous all have one thing in common the words in the sword of moses the conjuration of the sword are encoded and unreadable which in my belief renders it useless as a workable system so in this book i have replaced theses words of power with a readable format which are as equal if not more effective than the original i hope you enjoy this version of the sword of moses rewritten

the sword of moses variously dated to the 14th century or before to perhaps the 10th contains perhaps the most strange array of folk magick fused with kabbalistic and angelic content ever made containing conjurations that invoke the very name of the judeochristian deity it professes to allow the user control over the armies of the same god for various purposes from protecting oneself to securing fortune to destroying foes over one hundred names and forces are invoked following the sword itself in the form of invocation in order to provide this power this edition contains a full list of the magical names of the rituals themselves and has been updated to modern english

magic has exercised the deepest influence upon mankind from remote antiquity unto our own days it either formed part of the religion of the country as it was the case in ancient egypt and babylon and as it is now in some forms of buddhism tibet or lived an independent life side by side with the recognized religion in some instances it was tolerated or rendered less obnoxious by a peculiar subdivision into white or beneficial and black or evil magic or was downright persecuted wherever we go however and especially if we turn to the popular beliefs that rule the so called civilized nations we shall always and everywhere find a complete system of magical formulas and incantations the belief in the witch and wizard and their powerful filters and charms holds still stronger sway upon human imagination than appears at first sight

a espada de moisés a espada de moisés é o título de um livro de magia judaico apócrifo editado por moses gaster na palestina em 1896 a partir de um manuscrito do século xiii ou xiv de sua própria coleção 1 anteriormente ms gaster 78 atualmente london british library ms or 10678 gaster assumiu que o texto é anterior ao século 11 com base em uma carta de rav hai gaon 939 1038 que menciona o livro ao lado de sefer ha yashar descrito como outro livro de fórmulas e que pode até já nos primeiros quatro séculos ec além do manuscrito medieval usado por gaster um pequeno fragmento do texto sobrevive em cod oxford 1531 uma nova edição crítica foi impressa em 1997 pelo estudioso israelense yuval harari com base em um texto variante encontrado em outro manuscrito uma tradução em inglês do mesmo foi publicada em 2012 2 conteúdo editar o maior manuscrito da espada de moisés começa com uma descrição dos reinos e anjos celestiais e logo passa a descrever várias orações invocações e procedimentos rituais que o leitor deve executar antes de poder usar a espada este termo se refere a uma enorme lista de nomes mágicos mais adiante no texto dividida em 136 seções cada uma com um uso mágico diferente a lista de nomes é fornecida primeiro seguida de seus usos na próxima seção 1 se na lua cheia você deseja capturar e amarrar um homem e uma mulher para que eles fiquem um com o outro anular espíritos e demônios e satanás e amarrar um barco e libertar um homem da prisão e para tudo escreva em um prato vermelho do twbr tsbr até o h bšmht 2 e se você deseja destruir montanhas altas e passar em segurança pelo mar e pela terra e cair no fogo e subir remover os reis causar uma ilusão de
